State Commander's Message

Greetings VFW Family,

As we move into May we are beginning to prepare for the next administrative year. The Posts need to elect and install their new slate of officers prior to the state convention which is June 2-4th. This is not an optional exercise. I encourage members to take on these vital roles. We as a Department are only as successful as our Posts. If you see something you would like changed in your Post now is the time to step forward and be that change! The VFW is a TEAM effort.

We have made some gains in membership during April though slower than March but we have reached 98.46 % and are chasing Massachusetts who is at 98.68%. Lets push past them and become the top New England state!! The Post that has the most new or reinstated members during April will be awarded \$200.00. There is still time to get those members on your rolls.

For the Month of May we will again be putting a Commanders Challenge out. All Posts that reach 102% or more by May 31st will be put into a drawing for a \$500.00 reward. We have several Posts that have already achieved the 102% and many more that are only a member or 2 away from our stated goal. New members are the life blood of our organization. If you do not bring new members into your Post you are signing its death warrant. Recruit Recruit for new energy and ideas.

While reporting has ended for this administrative year insure you are tracking your Community service and work on behalf of Veterans for the upcoming year. Remember if you don't report it it did not happen!!

Please plan on attending the Department of New Hampshire's 103rd State Convention on June 2-4th at the Town and Country Resort Shelburne NH. It is a great opportunity to meet and socialize with many other Posts from across the state. And is an opportunity to exchange ideas and learn what is and is not working from other Posts. We will also be offering District Commander and Quartermaster training during the convention. You are encouraged to attend as you can not have to much knowledge. I would also encourage you to bring Corn hole boards for a possible impromptu game or two. Lets Keep letting people know Veterans Have No Better Friend than The VFW.

Questions comments or concerns can be forwarded to: rideout4rep@gmail.com

DISTRICT COMMANDER'S MESSAGE

Comrades,

Here we go! This is the best time of the year for us all. The sun is shining, days are longer, and a new term is ready to begin. Elections at the post and district levels have been completed; don't forget to submit your election reports!

It's time to have some fun with your community. May 1st (as close to) is when we are all holding Loyalty Day Ceremonies. May 6th is the VFW #dayofservice. I hope that you have planned something to do with your members out in the community! Do a road cleanup, park cleanup, be creative and do something positive and have fun doing it. Make Memorial Day something extra special, and let the news know so that more people see that you are having an event. Have poppy drives, but hand out poppies everywhere you go, too.

Congratulations to all the newly and reelected officers. Thank you for reelecting me for another term. Remember that no matter what position you hold, you have an obligation to seek out someone to learn from you, so that you may pass on the knowledge and skills for your position to the next person. This is how we ensure everyone knows the rules, duties and responsibilities and foster growth and positive change in our organization. If you have been doing the same thing for more than 3 years, start looking to teach someone how to do what you do.

This summer is going to be packed full of activities in District 6, so share them on the District Facebook and with the Adjutant. Attend other posts events! You never know where you might find a great idea to bring back to your post. Let's work together and do something great this year and have a ton of fun doing it!

District Meeting dates have been selected based on the Council dates. I kept us on Saturdays, so that church goers can attend. Bring your members to the meetings! We will have great training at each one starting with QM/Trustee training in August. It is VITAL that Trustees are following the "trust but verify" principle. Trustees are the ones who ensure money is handled properly and everyone is kept honest. We can all benefit from QM and Trustee training.

Email me if your post wants to host a meeting and the date.

August 12th, 2023
October 21, 2023
January 13, 2024

Keep looking ahead and plan community or family friendly events for your members.
HAVE FUN!

POST COMMANDER'S MESSAGE

Dear Comrades,

We have lots of events coming up over the next month: Loyalty Day, Buddy Poppies, and Memorial Day celebrations. Please be on the lookout for details and of course, we are always looking for people to help out during these events. I know we sound like a broken record, but it's because we have the same people doing everything. We can't make changes without your ideas and help implementing them. There are only so many hours in the day and we are all volunteers who have other commitments, so please come out and help.

I'd like to thank you for having me as your Commander this past year. I couldn't have done it without help from our other officers, and especially our Quartermaster Lew (who we know actually does most of the work around the Post!). Please join me in congratulating Chris on being the next Post 483 Commander- I'm sure he will do an excellent job, or at least keep everyone in line as our local Police Officer!

If you are ever in the Mason area, please feel free to stop by and say hi!

-Katie Boots

We have a good chance of hitting 100% this year. We only have 4 members that have to renew by the end of June. If that happens we will be just 2 short of 100%. I would be outstanding if we can recruit at least two, but more for safety in this time. We can do it if you all recruit. Everyone knows someone who is eligible. Talk to them.

JOKE OF THE MONTH

A worldwide survey was conducted by the UN. The only question asked was: "Would you please give your honest opinion about solutions to the food shortage in the rest of the world?" The survey was a huge failure. In Africa they didn't know what "food" meant. In Eastern Europe they didn't know what "honest" meant. In Western Europe they didn't know what "shortage" meant. In China they didn't know what "opinion" meant. In the Middle East they didn't know what "solution" meant. In South America they didn't know what "please" meant. And in the USA they didn't know what "the rest of the world" meant.

QUOTE OF THE MONTH

The most difficult thing is the decision to act, the rest is merely tenacity. The fears are paper tigers. You can do anything you decide to do. You can act to change and control your life; and the procedure, the process is its own reward.

Amelia Earhart

MIND TWISTER

A man wanted to work, but he could not log in to his computer terminal successfully. He tried twice, but still his password did not work. He suddenly remembered that the passwords are reset every month for security purposes. So, he called his boss and said, "Hey boss, my password is out of date." His boss replied, "Yes, that's right. The password is different. Listen carefully. I am sure, you can figure out the new one. The new one has the same amount of letters as your old password, but only four of the letters are the same." "Thanks boss." With that, the man could correctly log into his station. What are both the new and old passwords?

VA NEWS

VFW Letter to Speaker McCarthy Urging Veteran Protections: The House passed a budget resolution to reduce the amount of federal spending for the next fiscal year (FY). The resolution sets overall spending at 2022 levels, but does not specify that veteran care and benefits would not be reduced. VFW Washington Office Executive Director Ryan Gallucci sent a letter to Speaker of the House Kevin McCarthy urging him to ensure protections for veterans are addressed. Gallucci wrote, “Plainly stated, the *Honoring our PACT Act of 2022* did not exist when funding levels were set for FY 2022.” The PACT Act was not passed into law until after budget levels had been established, so the VFW wants to ensure the monumental advances secured through that legislation are protected.

Veteran Benefits Bill Hearing: The Senate Committee on Veterans’ Affairs held a pending legislation hearing to discuss 14 bills on veteran and survivor benefits. VFW National Legislative Deputy Director Kristina Keenan provided a statement for the record in support of these proposals. In particular, she conveyed the VFW’s strong support of the *GUARD VA Benefits Act of 2023*, which would reinstate criminal and financial penalties for unaccredited representatives who prey on veterans.

VA Online Financial Literacy Seminars: The VA Office of Outreach, Transition and Economic Development has partnered with Prudential to host free monthly online financial literacy seminars for veterans, transitioning service members, spouses, family members, and caregivers. Income management topics include budgeting, saving, investing, taxes, life insurance, and preparing for retirement.

BATTLE OF THE MONTH

Battle of the Coral Sea

The **Battle of the Coral Sea**, from 4 to 8 May 1942, was a major [naval battle](#) between the [Imperial Japanese Navy](#) (IJN) and naval and air forces of the United States and Australia. Taking place in the [Pacific Theatre](#) of [World War II](#), the battle is historically significant as the first naval action in which the opposing fleets neither sighted nor fired upon one another, attacking over the horizon with [aircraft carriers](#) instead.

To strengthen their defensive position in the South Pacific, the Japanese decided to invade and occupy [Port Moresby](#) (in [New Guinea](#)) and [Tulagi](#) (in the southeastern [Solomon Islands](#)). The plan, [Operation Mo](#), involved several major units of Japan's [Combined Fleet](#). Two [fleet carriers](#) and a [light carrier](#) were assigned to provide air cover for the invasion forces, under the overall command of Admiral [Shigeyoshi Inoue](#). The U.S. learned of the Japanese plan through [signals intelligence](#) and sent two [U.S. Navy](#) carrier task forces and a joint [Australian-American cruiser](#) force to oppose the offensive, under the overall command of U.S. Admiral [Frank J. Fletcher](#).

On 3–4 May, Japanese forces [successfully invaded and occupied Tulagi](#), although several supporting warships were sunk or damaged in a surprise attack by the U.S. carrier [Yorktown](#). Alerted to the presence of enemy aircraft carriers, the Japanese fleet carriers advanced towards the [Coral Sea](#) to locate and destroy the [Allied](#) naval forces. On the evening of 6 May, the two carrier fleets closed to within 70 nmi (81 mi; 130 km) but did not detect each other in the darkness. The next day, both fleets launched airstrikes against what they thought was the enemy fleet carriers, but both sides actually attacked other targets. The U.S. sank the Japanese light carrier [Shōhō](#), and the Japanese sank a U.S. [destroyer](#) and damaged the [fleet oiler Neosho](#). On 8 May, both sides finally located and attacked the other's fleet carriers, with the Japanese fleet carrier [Shōkaku](#) damaged, the U.S. fleet carrier [Lexington](#) critically damaged and later scuttled, and the fleet carrier [Yorktown](#) lightly damaged.

Both sides having suffered heavy aircraft losses and carriers sunk or damaged, the two forces disengaged and retired from the area. Because of the loss of carrier air cover, Inoue also recalled the Port Moresby invasion fleet. Although the battle was a tactical victory for the Japanese in terms of ships sunk, it has been described as a strategic victory for the Allies. The battle marked the first time since the start of the war that a major Japanese advance had been turned back. More importantly, the damage to [Shōkaku](#) and the aircraft losses of [Zuikaku](#) prevented both ships from participating in the [Battle of Midway](#) the following month.

[Shigeyoshi Inoue](#), commander of the Fourth Fleet of the Imperial Japanese Navy

[Frank Jack Fletcher](#), commander of U.S. Task Force 17
